Information for New Students

Educational Opportunities

As the first university in Pennsylvania to offer Bachelor degrees that could be completed entirely in the evening, La Salle University has long been recognized for its dedication to the adult learner. Over the years, as more adults have chosen part-time college programs in order to meet work and family obligations during the day, La Salle has responded with more flexible programs and schedules. Courses are offered in the evening and on weekends at La Salle's main campus. Evening classes are also offered at our sites in Bucks County and Northeast Philadelphia. Part-time baccalaureate students at La Salle receive the same quality instructors and support services that full-time students receive—the same quality education that has ranked the University near the top of nearly every national survey.

Academic Advising

A range of counseling services is available to students and prospective students as they pursue their academic and career goals. If you have questions about your possible enrollment at La Salle, or if you wish to discuss how the program offerings could benefit you, please arrange an interview with an admission counselor by calling the Office of Adult Enrollment at 215/951-5149.

Advisors in the Office of Continuing Studies and the School of Nursing are available to discuss academic programming and course registration. Each advisor specializes in particular majors and can help you tailor an educational plan. You can meet with your advisor each semester to facilitate course registration.

College Credit through the College Level Examination Program

The College Level Examination Program (CLEP) offers more than 30 examinations through which adults can demonstrate their knowledge of college level subjects learned outside the classroom. The University is a CLEP test center and encourages students to consider this option for earning credits in their degree programs. As of July 1, 2001, all CLEP tests are computer-based only. Students interested in more information about CLEP should contact the Continuing Studies Office at 215/951-1074.

Admission Policies

To apply for admission to La Salle's evening and weekend programs, complete an application and return it to the Office of Adult Enrollment, La Salle University, 1900 West Olney Avenue, Philadelphia, PA 19141. With your application, please include a \$35.00 check payable to La Salle University. Applicants with previous college credit must provide copies of their official transcripts from all institutions previously attended. RNs and LPNs must provide official transcripts from their schools of nursing and a copy of their nursing license. Applicants for non-matriculated (non-degree) status may present unofficial records. Students who have previously attended La Salle do not need to apply; simply contact the Office of Continuing Studies at 215/951-1234 or the School of Nursing at 215/951-1430. **The application fee will be waived for students who apply on-line at www.lasalle.edu.**

Summer Visitors

Students in good standing at other regionally accredited colleges and universities may, with the permission of their deans, enroll for designated courses at La Salle. Summer visitors must request enrollment through the Office of Adult Enrollment, and submit an evening and weekend application. A transcript is not required, except for students requesting business courses. Please call 215/951-5149 for additional information.

Summer Session News

Accelerated RN-BSN Program

La Salle's School of Nursing has introduced an accelerated program for Registered Nurses seeking to complete their B.S. in Nursing. The program is designed for the RN who is balancing work with family/life obligations. The degree can be completed in as little as 18 months.

Each class meets once a week, for four hours, for five weeks. Students may obtain up to 21 nursing credits through a portfolio assessment. Advanced Placement can be granted through validation of 24 of the 50 credits required in the Nursing major. The program also offers new courses and clinical selections.

You have the flexibility of completing the nursing major at either the Main Campus in Northwest Philadelphia or the Bucks County Center in Newtown, Pa., convenient to I-95.

An academic advisor is available to discuss this exciting program, review transcripts and provide the applicant with options for progression through the program. For more information, please contact Mary Dorr, Assistant Dean, at 215/951-1430; e-mail dorr@lasalle.edu; or fax 215/951-1896.

BSN Program for the Licensed Practical Nurse

La Salle's School of Nursing has introduced a bachelor of science in nursing program designed for the licensed practical nurse who's balancing work and family/life obligations. It's one of only two programs of its kind in the area.

Program administrators know most LPNs come to the program with previous work and educational experience, and are willing to recognize it in several ways. Students can obtain advanced placement credit through direct articulation of five credits for basic nursing studies, and challenge examinations. Students can obtain up to 58 credits for basic nursing studies and nursing courses.

Flexibility is provided by allowing the LPN student to complete the program of study at their own pace. Courses are offered during the day, evening, and weekend, and can be taken at our main campus in Northwest Philadelphia, or the Bucks County Center in Newtown, Pa.

For more information, contact Mary Dorr, Assistant Dean, at 215/951-1430, e-mail dorr@lasalle.edu or fax: 215/951-1896.

Bilingual Undergraduate Studies

BUSCA (Bilingual Undergraduate Studies for Collegiate Advancement) Program

This Associate Degree Program is designed especially for our Latino Community, offering an unprecedented opportunity for bilingual (Spanish) education in a renowned institution of higher learning where students will be able to continue the cognitive learning process in their first language while mastering English language skills.

The Latino student should thrive here in a climate and program in which the learning of subject content and the mastering of English take place simultaneously. To ensure this outcome, academic advisement and counseling will be readily available to each enrolled student.

The ultimate aim of the program is to improve the listening, speaking, reading, writing, and bicultural skills of the participants so as to enable them to utilize the knowledge of the Associate Degree, to develop career skills and/or to continue in higher education toward the Bachelor's Degree so as to better function professionally and socially. At the same time, students will be encouraged to sharpen their skills in Spanish so that they leave the University completely bilingual in two languages.

Part-Time Evening and Weekend Basic Bachelor of Science in Nursing

La Salle is introducing a new BSN program designed for those who want to pursue a generic Nursing degree on a part-time basis at our Bucks County Center. Whether you are just starting out, changing careers or are an LPN seeking your BSN, this pro-

gram is for you. Courses are offered in the evenings and on weekends, so you can complete your degree at your own pace. For more information, contact Dee Matecki, part-time Program Coordinator, at 215/579-8681 or e-mail at matecki@lasalle.edu.

Special Topic & Other Course Descriptions

ART 278 – SPECIAL TOPIC - ART OF THE SPANISH SPEAKING WORLD

The course is a survey of the art and architecture of Spain and Latin America from the Middle Ages and the Moorish Occupation up to the 19th Century. No previous art history courses or Spanish language skills are required. This course will fit core requirements in either the old or new core curriculum.

COM 270 – SPECIAL TOPIC – THE GREEN ON THE SCREEN: CINEMA AND IRELAND

From the homecoming of John Wayne's *The Quiet Man* to *The Devil's Own* Brad Pitt as an IRA man with a mission, the depiction of the Irish in film offers us a rich area of exploration. In this course, we will look at some of the various themes and traditions central to the discussion of the Irish in film: family, immigration, famine, violence, music, and land. We will discover that the Irish are a dynamic presence in the first hundred years of film with screenings ranging from such classics as *Odd Man Out* to the more recent, critically-acclaimed films such as *In the Name of the Father* and *The Crying Game*. Screening List: *The Quiet Man* (John Ford, 1952); *December Bride* (Thaddeus O'Sullivan, 1990); *Odd Man Out* (Carol Reed, 1947); *The Crying Game* (Neil Jordan, 1992); *The Commitments* (Alan Parker, 1991); *In the Name of the Father* (Jim Sheridan, 1993); *Into the West* (Mike Newell, 1992); *The Devil's Own* (Alan Pakula, 1997); *Michael Collins* (Neil Jordan, 1996).

ENG 150 – THEMES IN LITERATURE AND CULTURE: LITERATURE, GENDER, AND SEX

This course will look at ways in which literature (and to a lesser extent film) has responded to issues of gender and sex—to matters of cultural identification and biology. We will begin by viewing the 1998 film *The Opposite of Sex* directed by Don Roos. We will then examine selected works of fiction and drama that address a wide variety of issues related to questions about gender and sex. A list of authors we will study includes the following: Ernest Hemingway, Joyce Carol Oates, Richard Wright, Ernest Gaines, Alice Hoffman, Caryl Churchill, and Laura Esquivel. There will be short reading quizzes and two or three short reader-response essays.

ENG 250 – WRITERS AND THEIR WORLDS: LONDONERS AND DUBLINERS

This course focuses on four major writers who lived and published in London or Dublin during the nineteenth or early twentieth century. Beginning with Londoners, the course first looks at poems by John Keats and then at a novel and short fiction by Charles Dickens. It then covers four plays of Dublin-born George Bernard Shaw and ends with selected stories from James Joyce's *Dubliners*.

ENG 355 – THEATER NOW

Study of contemporary developments in American, British, and world drama, including works performed on and off Broadway and in London's West End and Fringe. Special attention to third world, minority, and women dramatists.

ENG 370 – SPECIAL TOPIC - AFRICAN AMERICAN WOMEN WRITERS

The purposes of this course are to develop appreciation and critical understanding of works by significant African American women writers, to become familiar with the range of African American women writers in American literary history, and to develop critical awareness of key themes, movements, and feminist issues in these texts.

GEO 170 – SPECIAL TOPIC - EARTH SCIENCE

An introduction and survey of Planet Earth and those processes that modify it. This course will cover a wide range of topics, including rocks and minerals, volcanoes, earthquakes, ocean processes, meteorology and weather phenomena, and astronomy. Course will fulfill Foundation (or Framework – Natural) Science requirement.

PHL 175 – THEMES IN PHILOSOPHY (ACCELERATED)

This course presents the various themes in philosophy by way of the concepts of the human person as presented by philosophers in Western and Eastern Cultures. The themes of the relationship between Philosophy and science, the problem of knowledge, the problem of the soul-body, the problem of determinism and free-will will be incorporated into the analysis of the concepts of the human person. This course will take a historical approach to the development of the concepts of the human person (human nature) beginning with themes in Eastern culture and proceeding to the themes in Western Culture. The major theories of the human person covered in this course will include but not be limited to, those of the Hebrew, Hindu, Buddhist, Chinese traditions, and the philosophers, Plato, Aristotle, Aquinas, Descartes, Kant, Hume, Hobbes, Mills, Hegel, Marx, Freud, Watson, Skinner, Lorenz, Chomsky, Sartre, Jaspers, Kierkegaard, Heidegger, Marcel and Holmstrom.

REL 175 – RELIGION AND LIFE (ACCELERATED)

Religion as a Dynamic of Human Existence is a comprehensive introduction to the nature and variety of religious belief and practice. The purpose of this course is to provide students with an understanding of religion as a basic characteristic of one's being human. Student will be asked to analyze the universal forms of a religious experience and the basic concepts that make up a religious worldview. The course explores the wide range of ancient and modern religious traditions, permitting students to view the way certain classic forms of religious life appear in different societies over time as well as to recognize the astounding diversity of human religious expression and belief. The course as such is divided into five lengthy sessions during which students are enabled to study the several disciplines or methods used in the study of religion. The students will be introduced to concepts of the sacred and the holy, to religious symbolism, myth, doctrine, sacred ritual, sacred scripture and the social dimensions of religion. Finally, student will examine in depth the worldviews that derive from religious experience and religious expression.

Pre-Registration – When, Where & How

Pre-registration begins Monday, March 18, 2002. Day students should submit their pre-registration forms directly to the Office of the Registrar after receiving the written permission of their advisor. Evening student pre-registration forms may be dropped off, mailed, or faxed to:

La Salle University
Office of Continuing Studies - Benilde Hall
1900 West Olney Avenue
Philadelphia, PA 19141-1199
Fax: 215/951-1960

La Salle University
Attn: Mary Dorr
School of Nursing - Wister Hall
Philadelphia, PA 19141-1199
Fax: 215/951-1896

Pre-register early in order to ensure placement in the class of your choice. See below for information on using LUWIS to process registration on-line.

Web Registration is Here

LUWIS will be available beginning March 18, 2002. Students may elect to use LUWIS to process summer registration on-line, rather than mailing, faxing or dropping off forms. If so, the following procedures must be followed:

Day Students should obtain their faculty/department adviser's signature on the Summer Registration Form, before proceeding to their Dean's Office, with the signed form. There, they will receive the Registration/Alternate Pin needed to process registration on-line.

Evening Students should refer to their Adviser Letter for more information on using LUWIS. Adviser Letters are included with the Summer Registration material that was mailed to all active evening students.

In-Person Registration – Where & When

General Information

Financial Aid

Although students are responsible for meeting their own financial obligations to the University, there are a variety of financial aid options, including grants and loans, to assist students. Students are encouraged to contact the Financial Aid Office as early as possible in the pre-registration process, in order to explore these options. Students should note that it normally takes four to six weeks to complete the financial aid process. Students can check the status of their financial aid by logging onto LUWIS. Filing late or submitting requested documentation after the deadline may cause a reduction in the financial aid award or a delay in having aid credited to the account. If financial aid is not in place at the start of the summer term, students must be prepared to pay their charges in full themselves, or use the Deferred Payment Plan as it is available. The telephone number to the Financial Aid Office is 215/951-1070 and the e-mail address is finaid@lasalle.edu.

Modern Handling Equipment Company Scholarship Program

Through the generous auspices of the Modern Handling Equipment Company, evening students pursuing an undergraduate degree in our School of Business Administration are eligible for this scholarship, for the summer as well as the Fall and Spring semesters. Student must be enrolled for a minimum of six credits during the term when the scholarship will be used. Information on eligibility and scholarship applications are available in the Office of Continuing Studies or the Office of Financial Aid. Applications for summer scholarships must be submitted by April 30, 2002.

Tuition Reduction for Catholic School Teachers

Persons employed as full-time teachers in any of the parish or archdiocesan schools or in any private Catholic school in the Delaware Valley may receive a 30 percent tuition reduction for undergraduate courses taken on a part-time basis, not to exceed 9 credits during the summer. A letter from the principal verifying full-time employment is required for each session of attendance at La Salle University, and must be submitted to the Office of Continuing Studies for further processing.

Identification Cards

All students are required to have an ID card, once they enroll at the University. ID cards are necessary in order to use the Connelly Library, Hayman Center and computer laboratories. Photo identification cards are available at the University ID and Gold Card Account Office, located in the lower level of the Union Building. Students at the Bucks County Center may obtain a photo identification card at specified dates during the beginning of each summer session. The telephone number for the ID and Gold Card Office is 215/951-1578.

Parking and Vehicle Registration

In order to use the University's on-campus parking facilities, vehicles must be registered with the Security and Safety Department. Parking in the Good Shepherd Lot is free if your vehicle is registered, and a fee is charged for the use of all other parking lots on Main Campus. There is no fee or vehicle registration required at the Bucks County Center. Currently enrolled students, who had a parking permit for the previous spring semester, are not required to pay the summer parking fees. New students, and returning students who did not attend the previous spring, must register their vehicle and pay the summer parking fee of \$10. A copy of the parking permit application can be obtained on the Security Office's Website www.lasalle.edu/security, or by calling the Parking Office at 215/951-1066. Completed applications (with appropriate payment) can be mailed or hand-delivered to Security Headquarters.

Registration Information

Web Registration is Here

Currently enrolled students in good academic standing are now able to process their own registration via the Web. By accessing Brother LUWIS with an “alternate pin,” students are able to register for classes, drop or add a class, print their semester schedules, view the status of financial aid, pay tuition, and much more. More information on how to access LUWIS is included in the pre-registration mailing.

Pre-Registration

Students are encouraged to register early via LUWIS or by mail or fax in order to assure they will receive the classes of their choice. Early registration also allows for students to roster courses without having to make tuition payment immediately. Upon completion of registration, the student is officially enrolled in the courses rostered and is financially responsible for tuition and fees.

In-Person Registration

In-Person Registration is held on selected nights during the first week of classes each session (see page 8). Students must attend In-Person Registration if:

- they do not register by the pre-registration deadline;
- they wish to make any changes to their pre-registration;
- they have not submitted tuition payment yet.

Changes of Roster

After their initial registration has been processed, students may add or drop courses only during the first two days of each summer session (see page 11). If students are unable to continue with the class(es) they have registered for, they must officially drop or withdraw from the class(es), using the appropriate form available in the Office of Continuing Studies or the appropriate dean's office. Students who do not officially drop or withdraw from their classes will be liable for the tuition and fees associated with the courses, and may receive failing grades for the courses. In the case of a withdrawal, the pro-rated tuition refund schedule will apply.

Cancelled Courses

Courses included in this roster will run if student enrollment is sufficient. Decisions to cancel courses for insufficient enrollment are made either after the Pre-Registration or In-Person Registration process is completed. The Office of Continuing Studies and the School of Nursing will make every effort to contact students who have registered for courses that are cancelled, either in writing or over the telephone. If tuition payment has been made for the course, and the student does not wish to make a substitution, a full refund will be generated.

Payment Procedures

An invoice for your summer session charges will be mailed to you prior to the beginning of each session. Payment will be due approximately fifteen (15) days from the date of the invoice. You will find it more convenient and are encouraged to complete your registration by mail or through Brother LUWIS on-line. However, if there are irregularities in your pre-registration, if you desire to make a change, or if you have not paid your invoice by the mail payment due date, then you must complete your registration and payment in person on campus.

Do not send cash through the mail. The University cannot be responsible for cash sent through the mail. Please pay by check, bank draft, cashier's check, money order, VISA or Master Card. Payments by mail should be made in the envelope provided and mailed so as to reach the University by the due date. A \$20.00 fee will be assessed for returned checks. Also, if you need to make a payment outside of the regular office hours, a payment drop box is located outside of the Bursar's Office on the 1st Floor of the Administration Center.

If you would like to use your VISA or Master Card to pay some or all of your educational expenses, you can complete the credit card transaction form that is enclosed with your invoice or you can follow the instructions at "Brother LUWIS" on the La Salle University WEB site (lasalle.edu) to make payment via the Web.

Third Party Billing Arrangements

If you have a recognized third party (employer, labor union, foundation, etc.) who is paying all of your tuition, you may send a copy of the "official notification" along with your invoice, and credit will be applied to your invoice for the authorized amount of the sponsor's award. Be sure to also enclose a check or other form of payment for any balance due. To be eligible, the sponsor's award notification must be from a recognized "organization", not an individual, clearly indicate the amount that will be paid, give all necessary billing instructions and be signed by an authorized representative. If the organization sends the payment at the end of the semester upon receipt of your grades for the semester, you must pay the tuition in full at the beginning of the semester, enroll in the Deferred Payment Plan, or apply for financial aid to cover the tuition charges.

Deferred Payment

The Deferred Payment Plan is offered by the University to provide a way to pay up to 75 percent of tuition and fees in monthly installments **during the semester**. The maximum amount that can be deferred is 75 percent of the semester educational expenses less any University student financial aid. To participate in the Deferred Payment Plan, the completed Promissory Note form must be presented to the Bursar's Office along with any required down payment (usually 25 percent).

Then, three subsequent monthly payments are made during the semester. There is a \$20 application fee, which is paid with your first monthly installment and a finance charge calculated at the rate of one percent of the average daily balance per month. Delinquent payments are subject to a late fee of \$5 or 5 percent of the past due balance, whichever is greater. The Deferred Payment Plan Promissory Note is included with each semester's invoice or can be printed from the La Salle website at www.lasalle.edu.

Withdrawing from Classes

Students are considered in attendance until formal notice of withdrawal is received by the appropriate Dean or Office of Continuing Studies. Non-attendance of classes and verbal messages conveyed to instructors do not constitute official notification. Formal notice of withdrawal requires the student complete and sign the University's Withdrawal form, available from the Office of Continuing Studies or the Dean's Offices. In cases where students are not present on Main Campus to process this, the Withdrawal form may be faxed to the student for signature, and then faxed back for further processing.

It is the student's responsibility to check with the Office of Financial Aid regarding the effect withdrawing from class(es) may have on their financial aid.

Refund Policy

Refunds of tuition will be based on the date on the official Withdrawal Form, and students will be considered to be in continuous enrollment until that date. Weeks of the session are defined beginning with the first official day of the session, rather than the first day on which a particular class is held, or the first day on which a student actually attends class.

Time of Drop/Withdrawal

Before first day of the session
During first week of the session
After first week of session

Refund

100% (tuition and fees)
